UCHIDA

1 IDEAL 2210 & 2230 PERSONAL SHREDDERS

These quiet, automatic personal shredders for small and home offices come with superior shredding shafts, made of a special hardened steel for many years of trouble free shredding. Paper clips and staples do not harm the cutting unit. A 3-position rocker switch for forward/stop (off)/reverse, attractive shred bin (20 litres), double motor-protection and a feed opening of 220 mm. The 2230 features a photocell controlled automatic start-and-stop. 1-2 users.

0244690 Ideal 2210 takes 6 sheets **\$199**
0244700 Ideal 2230 takes 10 sheets **\$299**

DIM: 455 x 345 x 213mm

DIM: 528 x 345 x 224mm

2 IDEAL 2250 PERSONAL SHREDDERS

The professional amongst personal document shredders with a capacity of 10 sheets. The high quality cabinet features a removable shred bin (approx 20 litres) with an integrated window showing the level of shredded paper. Photocell controlled automatic start and stop, automatic cut off in case of a paper jam, paper clip proof quality cutting shafts, 220mm feed opening and a powerful 150W motor. 1-2 users.

0244720 Ideal 2250 takes 10 sheets **\$499**
0244730 Ideal 2250cc takes 5 sheets **\$665**

DIM: 715 x 370 x 275mm

DIM: 880 x 538 x 490MM

3 IDEAL 2402 DESK SIDE SHREDDER

The most powerful desktside shredder in the market with 580 Watts of power! 4mm strip or 2 x 15mm crosscut capacity. 240mm throat-width. Photocell controlled automatic start / stop. Automatic cut off in case of paper jam, bag full or door is open. Mobile wooden shred bin. 2400 has a 25 litre bin. 2-4 users.

0232690 Ideal 2402 takes up to 18 sheets **\$995**

4 IDEAL 3102 OFFICE SHREDDERS

This new generation of powerful office shredders for continuous duty, features a large feed opening for paper formats up to A3. The unique feature of the 3102 is its special hardened-cutting head and feed opening, which allows CDs to be shred without any problems (strip cut only). Features automatic start / stop via a photocell and automatic cut off in case of a paper jam or if the shred bag is full. Multifunction switch for standby, stop/off or reverse. 130 litre bin capacity. 10-20 users.

0243450 Ideal 3102 Takes 22 sheets **\$2199**
0278920 Ideal 3102 Cross Cut takes 15 sheets **\$2425**

5 IDEAL 4002 HIGH CAPACITY SHREDDERS

The Ideal high capacity office shredder is an effective combination of power, versatility and speed. Strip cut and Cross cut shredding with a huge 400mm feed opening. Special hardened cutting heads able to shred credit cards, 3.5" diskettes, CDs and invalid passports (strip cut only). Powerful 1.3kW motor for continuous shredding. A comfortable pullout system holding frame for the plastic bag allows for easy removal of shreds. 200 litre waste bin capacity. (15 amp power required). 20-30 users.
